PURPOSE/BACKGROUND:

As required by State law, City zoning regulations treat manufactured homes the same as other single-family detached dwellings under certain conditions. There has been confusion about whether or not the regulations allow manufactured homes in the R-MH District to be attached to the land and thus become “real property.” Although the zoning regulations do not address the issue, it has been decided to clarify the conditions under which manufactured homes are allowed in various districts, and to indicate that zoning terms do not decide the status of a manufactured home as “real property.”

RECOMMENDATION:

ADOPTION at 12/19/2007 City Council meeting pursuant to the 12/4/2007 Recommending Committee.
